

Environment and Food Foundation (E2F) was one of the Youth founded and Youth led organization that was present at United Nation Framework Convention on Climate Change (UNFCCC) Conference of Youth (COY 17) that took place in Sharm El-Sheikh, Egypt 2022.

COY17 was an annual event under the banner of YOUNGO – The Official Youth and children Constituency of the United Nations Framework Convention on Climate Change (UNFCCC).

COY17 was organized by YOUNGO - the official Youth and Children Constituency of the United Nations Framework Convention on Climate Change (UNFCCC). Conference of the Youth (COY17), took place in Sharm Elsheikh, Egypt, from the 2nd to the 4th of November 2022.

E2F was fully represented by the founder Achare Elvis Ayamba and the communications officer Suzanne Sincere De Talla. They did not only represented E2F but also the Cameroon youths. They fully participated in the 3 days event. The critical goal of their participation was to ensure that the voices of the youth from Cameroon are heard and included in the COP27 global youth statement. UNFCCC was aimed to come out with a global youth statement from young people from all corners of the globe and to be presented at the UNFCCC COP 27.

Our main message to COY17 were; Youth action, Climate finance. Loss and damage.

Day 1 at COY 17 was mainly on the opening ceremony with some high level session on climate justice.

Day 2 at COY17 was more insightful as E2F representatives were invited in a high level panel discussion on climate finance for indigenous youths.

Day 3 at UNFCCC COY17 was the final day and we participated in a side event hosted by Afrika Youth caravan to COP27 on storytelling. We had the opportunity to share our nature and climate stories.
